

1. The Product

- The International Call Rates enables Telkom Kenya Prepaid and Postpaid customers to access International Calls.

2. Eligibility

- International call rates are open to all Prepaid and Postpaid Mobile customers.

3. International Call Rates

- Attached is a list of all destinations and their pricing.
- Customers don't need to subscribe to access international calls, for prepaid customers, they need to be active and have enough airtime balance to make an international call. For postpaid customers they need to be an active customer.

4. General Terms

- International Calling rates may change and will be communicated by Telkom from time to time.
